

WESTCHESTER COUNTY PARKS, RECREATION AND CONSERVATION
PLAYLAND PARK

Special Access Pass for our Special Guests

Rides that are handicapped accessible are noted as such with the universal wheelchair symbol. This symbol, in Playland Park, is not for wheelchair accessibility, but is utilized for all disabilities. Those with disabilities, must be able to transfer on their own, or with the assistance of a companion, parent/guardian. We will allow the easiest access possible, whether through the “entrance” or “exit” gate. The goal is to not have you maneuver through a queue line or be delayed where the guest may have difficulty with the delay. All guests must meet ride manufacturer requirements, including but not limited to, height and sitting up on their own.
